**CLAREVILLE NURSERY & GARDEN CENTRE
GREAT VALUE, GREAT RANGE, GREAT QUALITY!**

MODERN BUSH & PATIO ROSES CONTINUED:

PAPA MEILLAND – H.T. - This rose won several international awards and is known as one of the very best fragrant red roses. Leathery dark green foliage and superb, exhibition quality, deep, rich, velvety, crimson blooms. Cut blooms early morning for long lasting vase displays. Repeats well, summer to autumn. **1m**

PEACE – H.T. - Possibly the world's favourite, best known and best loved rose. A delicate soft yellow edged with pink. Lightly fragrant blooms on a very sturdy vigorous bush. Wonderful as a cut flower. Repeats well & shows good disease resistance. **1.2m**

PHAR LAP - H.T. - Named in honour of Timaru's famous horse - yes born here not in Australia - this rose is sure to win you over. Gorgeous velvet red blooms That repeat well and are lovely to pick. **1m**

PRECIOUS MEMORIES – H.T. – This rose showcases large, clear pink blooms with a delightful fragrance. This award-winning shrub is exceptionally healthy. Its disease-resistant nature and vibrant flowers make it a low-maintenance, stunning addition to any garden or landscape. **1m**

PURPLELICIOUS – FL. - Deep purple blooms that are decadently and deliciously fragrant smother this modern bush. The flat, full blooms have an old-world charm but 'Purplelicious' has a modern habit with masses of blooms and healthy disease resistant foliage. Surely a 'must have'. **1m**

ROYAL AMETHYST – H.T. - This rose is beautiful in shape, unusual in colour and highly fragrant. The large double blooms are shaded a rich velvety purple-mauve. Dark green foliage and a vigorous growth habit with a generous number of blooms throughout the season. **1.2m**

SALLY HOLMES - Sally Holmes is a stunning rose with generous trusses of single flowers, ranging from soft pale pink to white. Known for its sturdy, vigorous growth and disease resistance, this rose thrives even in light shade. It is perfect for mass groupings, making it a truly reliable and beautiful addition to any garden. **1.5m**

SCENT BY AN ANGEL – FL - This Floribunda rose features beautifully fragrant, deep rich pink blooms set against glossy foliage. With a strong, bushy growth habit and outstanding health, making it a vibrant and resilient addition to any garden. **1.2m**

SERENDIPITY – FL - This yellow rose is one of the best to grow in New Zealand, featuring clusters of beautiful yellow buds that open to bright, deep lemon blooms. Known for its vigorous growth and exceptional health, it is a stunning and reliable addition to any garden. **1m**

SIMPLY GORGEOUS – H.T.- This Hybrid Tea rose is a beautiful and unique variety, featuring large, sweetly fragrant buff lilac blooms that are perfect for cutting, it combines elegance and fragrance, making it an excellent addition to any garden. **1.2m**

SPECIAL BIRTHDAY -H.T. - This Hybrid Tea rose features large blooms in deep copper-orange that gradually age to a rich plum. With healthy, glossy foliage, it makes the perfect birthday gift rose, combining stunning colour and elegance for any occasion.

SPICED COFFEE – H.T. - A gorgeous and unusual rose that has shapely blooms of pale smokey beige overlaid with smokey lavender pink at the petal edges. Very popular. Free flowering with a nice spicy perfume. This roses colour is hard to describe and best seen. It is, however, one of my favourites. **1.5m**

MODERN BUSH & PATIO ROSES CONTINUED:

SWEET DREAM - Is a delightful Patio rose that blooms all season long, filling your garden with pretty peachy-apricot blooms that are large, fully double, and highly fragrant. With exceptionally disease-resistant foliage, it's perfect for the front of a border or as a container plant, offering beauty and charm in any space. **45cm**

SWEET ROMANZA – FL - This rose is covered in masses of blush pink blooms that add beauty to any garden. It boasts exceptionally healthy growth, with glossy foliage that lasts all season. The moderate fragrance adds to its charm. This rose is a vibrant & low-maintenance choice for any landscape. **1.2m**

OLD FASHIONED SHRUB ROSES from only \$46.95 each

GRUSS AN AACHEN - FL. - A charming low growing rose that produces clusters of fully double, creamy white flowers with soft pink and peachy highlights. Matt dark green foliage & a nice soft fragrance. A good hedging rose and for group planting in beds. Flowers continuously throughout summer. **1m**

ROSERAIE DEL HAY - This Rugosa rose features semi-double, velvety wine-red flowers with a hint of purple and a strong, fragrant scent. It blooms continuously over a long period, making it a favourite among Rugosas. With dark green foliage that turns vibrant in autumn, it is known for its hardiness and tolerance. A beloved variety, first introduced in 1901, it offers both beauty and durability. **2m**

RUGOSA SCABROSA - This Rugosa rose features stunning large, single flowers in crimson tinged with mauve, followed by beautiful orange-red hips. It grows as a robust, spreading bush with luxuriant foliage, making it a striking and hardy addition to any garden. **1.5m**

TEQUILA SUNRISE - This yellow rose is a picture of delicate beauty, with fully double, golden yellow blooms that are nicely cupped. Its growth is strong yet graceful, allowing the flowers to be beautifully displayed. The rose is deliciously scented, boasting an award-winning fragrance. Repeat-flowering, it's a reliable and fragrant addition to any garden. **1.2m**

THE FAIRY – This Polyantha rose should really be part of the 'Pollyanna' group as it always looks so cheerful. Pretty pink trusses of small, globular, double blooms appear in joyful abundance from spring right through to winter. The mid green foliage is glossy and shows good disease resistance. **70cm**

TRUMPETER – FL. - A neat compact rose with dense green, glossy foliage. Free-flowering with clusters of rounded buds that open to fully double, rich orange-red blooms with a gentle fragrance. Reliable & showy, excellent rose for mass bedding or containers. **70cm**

WILDCAT - This is a multi-award winning rose that is exceptionally healthy and disease resistant. The flamboyant blooms are a blend of orange-red and gold off-set nicely by the dark green foliage. Repeats well - a great rose for the garden or a container. **1.2m**

**OLD FASHIONED CLIMBERS & RAMBLERS – from only
\$46.95 each**

CECILE BRUNNER – Flowers are small perfect pink blooms that open from long pointed buds. The fragrance is sweet & spicy. Relatively few thorns & healthy foliage. **6m**

COMPASSION - One of the all-time greats of modern rose breeding. Never fails to please, always admired. Dark green glossy foliage sets the stage for salmon pink blooms with copper and yellow highlights. Good fragrance, repeats well, disease resistant.

CREPUSCULE – Flowers from spring through to autumn. The flowers are a silky shade of apricot yellow with a loose relaxed petal formation. Fragrant. Few thorns. **4m**

MME ALFRED CARRIERE - Climber - Noisette. Masses of milky white, cupped and very fragrant blooms that are blushed with pink decorate the relatively thorn free canes. An exceptional rose that reaches great heights. Repeats well. **4m**

PHYLLIS BIDE - Rambler. Small, dainty, semi-double flowers in shades of pink, salmon and creamy yellow appear throughout the summer. Blooms are delicately scented. Growth is upright (good for a pillar) and the foliage is light green and plentiful with relatively few thorns. Tolerates poor soil and some shade.

WESTERLAND - The colour of this rose is magnificent - rich tones of apricot-orange with yellow showing through on the reverse. Large, slightly informal blooms are borne in generous sprays. Delicious fragrance and dark glossy foliage that shows good disease resistance. **1.8m**

MODERN CLIMBERS from only \$46.95 each

ALL MY LOVE - Climber. This rose has a sweet fragrance and clusters of large classically shaped pink flowers on a compact climber. Suitable for smaller spaces. Strong upright bushy growth. Nice to give to that someone special. Very showy, and good repeat flowering.

BLACKBERRY NIP - Climber – H.T. - An excellent rose with healthy disease resistant foliage, seductively scented, long stemmed, deep purple blooms that are perfect to pick. Stunning addition to any garden fragrance. Robust, tolerant of wet weather and easily grown. A real pleasure to have in the garden.

CUPCAKE - Modern Climber. A new climber with old world blooms. Very pretty soft pink, cup-shaped double blooms with a lovely sweet fragrance. Masses of flowers cover this rose and repeat well. Nominated for "Rose of Excellence" award in The Netherlands.

DUBLIN BAY – Delightful easy to grow, disease resistant classic looking bright red rose. Repeat flowers profusely from Summer thru till Autumn. **3m**

FOURTH OF JULY - Climber. Eye-catching climber with large, open, semi-double flowers of yellowish cream splashed and streaked with vivid red. Nice spicy sweet fragrance. Very vigorous and healthy and just that little bit different. **1.8m**

ICEBERG - One of the best Floribundas. Large clusters of medium-sized, lightly double, pure white flowers. Very continuous flowering. Light, sweet fragrance. **6m**

NAHEMA - Climber Modern. This is an absolutely gorgeous rose, beautiful in bud opening to deliciously double, fully cupped blooms with the headiest fragrance. The petals are Velvety pink. Very feminine and pretty, shows good disease resistance too. **1.8m**

MEG - Climber – H.T. - If you like single roses you will love Meg's large, scented blooms of buff yellow flushed with apricot and peach. Prominent russet-red stamens complete the picture. Glossy green healthy foliage **1.8m**

PAGE 7

MODERN CLIMBER continued....

PIERRE DE RONSARD - The flowers are creamy white with over tones of lavender pink.

Fragrant. Strong vigorous grower with bright green generous foliage. **4.5m**

RED FLAME - This Rose, is renowned for its delicious fragrance. The blooms appear from summer to autumn, offering a stunning display of vibrant red colour. With glossy green foliage, this rose is a true standout in any garden. **2m**

SIR EDMUND HILARY – Climber - Sir Edmund Hilary is a stunning climber rose named after the legendary New Zealander. It features beautiful, double snow-white blooms with a cream centre, exuding a delightful fragrance. With a strong & healthy growth habit, this rose will climb to impressive heights, adding elegance and fragrance to your garden. **6m**

SOUVENIR DE LA MALMAISON - Bourbon. This rose is named after the famous garden of Empress Josephine - wife of Napoleon Bonaparte. Blooms are delicately perfumed, double, quartered and blush white with pink shadings. **1.2m**

UETERSEN - A showy, healthy rose with large semi-double flowers of glowing pink. The flowers are continuous through-out the season and have a nice light fragrance. Tolerant of some shade. **2m**

WESTERLAND - The colour of this rose is magnificent - rich tones of apricot-orange with yellow showing through on the reverse. Large, slightly informal blooms are borne in generous sprays. Delicious fragrance and dark glossy foliage that shows good disease resistance. **1.8m**

ENGLISH ROSES by David Austin- from only \$46.95

ABRAHAM DARBY - A gorgeous shrub rose with deeply cupped, very fruity fragrant blooms in shades of warm apricot and pink that repeat all season. It can be trained as a small climber. **1.2m**

BATHSHEBA – Climber – Apricot-yellow buds open to a large showy-cupped, many petalled rosette. They are a beautiful blend of subtle apricot-pink & soft, yellow, giving the overall impression of apricot, with creamy outer petals. Strong, honey, myrrh fragrance. A vigorous climber with mid-green foliage. **3m**

BOSCOBEL - Beautiful flowers of rich salmon start as red buds which open first to pretty cups, gradually developing into blooms of classic rosette formation. Has a myrrh fragrance Dark green foliage on a vigorous healthy bush. **90cm**

CHARLES AUSTIN - It makes a very tall bush, often over 2m, but responds well to firm pruning if required, or can be trained as a climber. Has a wonderful fruity scent & the flowers change from strong orange with red streaks in the bud through to soft apricot when fully blown.

CHARLES DARWIN – Large, yellow, cupped blooms with a strong & delicious fragrance. Attractive, bushy growth. Vigorous & disease resistant. **1.3m**

CLAIRE AUSTIN - Buds of pale lemon open to large white blooms with petals arranged in concentric circles. The plentiful blooms are very fragrant. Excellent disease resistance. **2.4m**

CROWN PRINCESS MAGHERITA – Strong fruity fragrance, large neatly formed rosettes of a lovely apricot orange. A tall slightly arching shrub. **1.5m or 2m as a climber.**

DAME JUDI DENCH - The blooms are a rich apricot-orange, fading delicately at the edges. Red-tipped buds open into large, informal rosettes with ruffled petals and a button eye, releasing a light tea scent. This very healthy shrub produces strong, arching stems that form an attractive mound of blooms over time. **1.1m**

DARCEY BUSSELL – Fully double rich crimson blooms with a perfect rosette of outer petals. The delicious fruity fragrance adds to the delight. **1m**

DAVID AUSTINS CONTINUED:

DESDEMONA – Peachy pink buds open to beautiful, white chalice-shaped blooms with a pinkish hue. This rose has hints of a strong old rose fragrance. Repeat Flowers. **1.1m**

EMILY BRONTE - Large clusters of rosette flowers. The multi-toned blooms of pink and peach will fade to a soft cream as the flowers age on the plant. The petalled blooms have a delicious citrus fragrance and are borne on a nice healthy upright bush. **1m**

ENGLAND'S ROSE - A particularly tough and reliable variety of medium size, with flowers of deep glowing pink. The blooms are nicely held in large clusters. It will form an attractive, bushy shrub. Light fragrance. **1.2m**

EUSTACIA VYE - An exceedingly pretty rose of soft, glowing apricot-pink, each bloom packed with numerous delicately ruffled petals. Held on red-tinged stems, the blooms begin as shallow cups, opening to full rosettes, revealing petals of a richer hue, which gradually pale over time. They have a delicious strong fruity fragrance. **1.1m** **NEW TO CLAREVILLE NURSERY!**

GABRIEL OAK - With its exquisite deep pink, many-petalled rosette blooms and delightful, fruity fragrance, Gabriel Oak is a captivating English Shrub Rose. The vibrant, deep pink flowers contrast with their lush green foliage. **1.3m** **NEW TO CLAREVILLE NURSERY!**

GERTRUDE JEKYLL – Is a short climber; it is always one of the first English Roses to start flowering. It bears perfect, little, scrolled buds, which open into the most beautiful rosette-shaped blooms of glowing bright pink. They have a strong, perfectly balanced Old Rose scent – often described as being the quintessential rose fragrance. Perfect for planting in a sunny spot, next to a doorway, pillar, obelisk or doorway. **1.2m**

GOLDEN CELEBRATION - This beautiful rose has very large, double, cupped blooms with a generous petal count. The blooms are shaded a rich golden yellow and the fragrance is very strong and fruity. Good disease resistance & repeats well. Just lovely to give as a gift to yourself or a special someone. **1.2m**

GRAHAM THOMAS – This rose has blooms which are lightly scented. He always looks his best with warm, golden yellow blooms set against mid green foliage. He's also very reliable and a top performer. Also used as a climber. **1.2m**

JAMES LAUSTIN - Bears large, many petalled, deep pink rosettes, each with a button eye. There is a light-medium strength fruity fragrance. It forms a neat and tidy shrub with a bushy, upright habit.

JUDE THE OBSCURE – Strong fragrance, large incurved & cup shaped flowers of medium yellow on the inside & pale yellow on the outside. Free flowering. **1m.**

LADY OF MEGGINCH - Large, fully cupped rosettes with outer petals that re-curve back slightly. Shaded a rich deep pink with a deliciously, fruity, fragrance with a hint of raspberry. Named for the late Baroness Strange who lived in Megginch Castle, Scotland. **1.2m**

LADY OF SHALLOT – Fragrant. Buds are a rich orange red opening to cupped shaped blooms with salmon pink on the upper side petals & golden yellow reverse. Flowers through Summer. **1.2m**

MARY ROSE - A vigorous grower with mid green foliage & masses of sweetly scented, cup shaped, clear pink blooms that darken slightly as they mature. Flowers from summer to Autumn, easy to grow. **1.3m**

MEMORIES OF YOU - A gorgeous shrub rose with deeply cupped, very fragrant blooms in shades of warm apricot and pink that repeat all season. **1.2m** **NEW TO CLAREVILLE NURSERY!**

MOLINEUX - Bears medium-sized neat rosette blooms - tinged with orange at first, quickly becoming rich yellow. It has a light-medium musky Tea Rose scent. The growth is compact, even and upright. **1m**

CLAREVILLE NURSERY & GARDEN CENTRE
GREAT VALUE, GREAT RANGE, GREAT QUALITY!

DAVID AUSTINS CONTINUED:

MUNSTEAD WOOD - The light crimson buds open to reveal large, deep velvet crimson blooms that have a beautiful fruity fragrance. The blooms are double, full and cupped and can only be described as 'yum'. Repeats well and shows good disease resistance. **90cm**

OLIVIA ROSE AUSTIN - Pretty buds open to beautiful, cupped rosettes of an even, mid pink colouring. Medium fruity fragrance. It forms a very healthy, well-balanced shrub with dark green foliage, which shows off the flowers to the very best effect. **1.1m**

PRINCESS ALEXANDRA OF KENT – These rose features large, bright pink, full-petalled blooms with an award-winning fragrance that evolves from fresh tea to lemon and hints of blackcurrant. It combines stunning beauty and a delightful scent, making it a standout in any garden. **1.2m**

PRINCESS ANNE - Features deep pink blooms that transition to a pure deep pink as they mature. With a light fragrance, it boasts upright, compact, & bushy growth. This variety has a long flowering period. An enduring tribute to Princess Anne. **1m**

PRINCESS OF WALES - Pretty cream buds open to reveal full double flowers of pure white, all frills and abundance with a golden tiara of stamens at the centre of each. The flowers are held in clusters of up to nine per stem. Her scent is fresh, not overpowering, and her foliage is dark, glossy and healthy. **80cm**

ROALD DAHL - This rose, has soft orange-red buds that open into apricot-coloured rosettes with a fruity tea scent. Its compact, healthy growth & few thorns make it easy to maintain. **90cm**

SHARIFA ASMA - These rose features beautifully cupped blooms that open to perfect rosettes, with pale, pearly pink petals exuding a delightful myrrh fragrance. **90cm**

STRAWBERRY HILL - Cupped, double, full flowers. The blooms are shaded a warm shade of rose pink and are very fragrant. Glossy green disease resistant foliage, repeats well. Tall bush rose. **1.2m**

TEA CLIPPER - This apricot blend rose features full double blooms in an informal rosette shape, exuding a delicious fruity fragrance. Known for its exceptional health, it's a beautiful addition. **1.2m**

THE ALNWICK ROSE - This rose features fully double, deeply cupped blooms in a rich, warm pink, embodying the classic charm of English roses. Its soft, full petals create a lush, elegant appearance, while the fragrance blends old-rose notes with a hint of raspberries. **1.5m**

THE LADY GARDENER - **Shrub rose.** Large, full petalled, rich apricot blooms. Strong and delicious tea fragrance. Repeat flowers quickly. Very healthy. Repeat flowering. **1.2m**

THE MILL ON THE FLOSS - This rose features a blend of pink and lilac blooms, evolving beautifully throughout the season. With gently arching canes & glossy green leaves, it adds elegance to any garden. The deeply cupped flowers emit a fruity fragrance and repeat bloom consistently, offering beauty and scent all year long. **1.4m**

THOMAS A BECKET - **Shrub rose.** Fragrant, light red, informal rosettes combine with natural, shrubby growth. Old Rose fragrance. Natural, shrubby growth. Particularly reliable and healthy. Very quick repeating. **1.2m**

TOTTERING BY GENTLY - This rose features soft buttercup-yellow single blooms with a musk fragrance. The bush has large, open sprays on a rounded, branching shrub, thriving in sun or part shade. It's perfect for hedges and mixed borders, & after flowering, it finishes with a beautiful display of rose hips. **1.3m**

VANESSA BELL - Pink-tinged buds open to medium-sized cups held in large clusters. Pale yellow, paling to white at the edges; each has a rich yellow eye. The fragrance is similar to green tea with aspects of lemon and honey. It forms a bushy, upright shrub. **1.2m**

NEW TO CLAREVILLE NURSERY!

**CLAREVILLE NURSERY & GARDEN CENTRE
GREAT VALUE, GREAT RANGE, GREAT QUALITY!**

WILDEVE - The blossoms are a soft blush pink with a delicate apricot hue, & as the petals unfurl, they gently pale to an almost white shade at the edges, creating a lovely effect. **1.2m**

WINDERMERE - This beautiful rose features large, full, quartered blooms with over 80 frilly petals, resembling whipped cream when fully open. It boasts a strong fruity fragrance, free-flowering nature, and a compact growth habit. **1m**

WINDRUSH - This rose features large, semi-double flowers in soft lemon yellow, fading to almost cream, with silky golden stamens at the centre. It blooms freely from summer to autumn on strong, upright growth. **1.2m**

WISE WOMAN - These rose features pretty pink blooms with a gentle fragrance, set against glossy green foliage. A perfect gift for the wise woman in your life or to commemorate a birth. **1m**
