GREAT VALUE, GREAT RANGE, GREAT QUALITY!**

Acer's (Maples) Acers (Maples) are all easily grown in well-drained soils with reasonable moisture in Spring & Summer. They are valued for their foliage, which may be variegated or have outstanding Autumn colour & also have attractive bark. Grow large maples as specimen trees, or smaller varieties for patios or smaller gardens. Maples are also highly valued for growing in containers.

Acer Aratama - This rare and desirable dwarf is slow growing with elegant thin branches. The five-lobed leaves begin as brick red in spring, turn purple, red and green in summer then finally turn gold and orange late autumn. (1.5mx1m)		\$56.00
Acer Bloodgood – One of our most popular maples! Distinctive small upright tree. Deep maroon-red foliage carried well throughout the season into late summer & turns vibrant red in Autumn. Showy red seeds. (4mx2m)		\$59.95
Acer Chishio - A slow growing small Maple suitable for town gardens or a special container. Flame pink leaves burst forth in spring gradually turning a more subdued green. The vivid pink red tones return in autumn. Very attractive and desirable. Protect from strong winds. (1.3mx1m) High Worked \$49.95 Topiary - \$59.95		\$49.95
Acer Burgundy Lace – Red Leaf Maple with an upright rounded habit. Deeply divided fine foliage with fringed margins. Spectacular Autumn tones of scarlet-red. Lovely landscape tree. A small tree with wide canopy. Well known & popular variety. (3mx2.5m)		\$56.00
Acer Earthfire - This is a small but gorgeous lace leaf that has an interesting green-red combination happening on its new growth. The very dissected leaves display various shades of red throughout summer and autumn. Prefers filtered light in a sheltered position. (1.3mx1m) High Worked \$49.95 Topiary - \$59.95		
Acer Emerald Lace - This Japanese Maple is one of the fastest growing dissectum. A wonderful garden specimen, the spring growth is lime green sometimes with orange margins when placed in more sun. Very heat tolerant, Emerald Lace even tolerates full sun better than most green maples, but preferring some shade in hot climates. Fall colour is red which is quite rare for green dissectum, which usually display yellow to orange autumn colour. (4mx3m)		\$69.95
Acer Esk Sunset – (Dwarf Sycamore Maple) – This Dwarf variety has variegated foliage very vibrant in Spring then fading back to a deep green leaf with cream mottling, with deep pink purple tones to the underside of the leaf. Best planted in a sheltered position in the garden, but, can take full sun. (3mx2m) Unavailable 2022 – please pre-book for 2023	1.2m	U/A
Acer Fireglow - Fireglow is a popular type of Japanese maple, it forms a small, neat, upright tree, the dark purple leaves hold their colour throughout the summer & as the weather turns, the leaves get darker before they fall off in winter. It is an ideal specimen tree or focal point in a smaller garden. The delicate looking, finely cut foliage is actually quite tough if protected from strong wind. (3mx2.5m)		\$59.95
Acer Fjeilheim - A dwarf Sango kaku. Soft, lime-green, red-margined foliage in spring. Mid-summer green leaves, and bright-gold leaves in autumn. Outstanding brilliant red bark in winter and spring. Prefers moist, well-drained soils. (1.8mx1.2m)		\$49.95
Acer Freemanii – Summer leaves, rich medium, green, Autumn colour is bright orange. Reddish flowers. Tolerates most soils. Oval shaped. Hardy (10mx4m)		\$49.95
Acer Green Mist - A vigorous, cascading lace-leaf Japanese maple with soft green, deeply-cut leaves that provide a soft "misty" appearance. Autumn colour is absolutely outstanding with blends of bright orange & red. (2.5mx1m)		\$69.95
Acer Mikawa Yatsubusa - A naturally dwarf growing variety, multi-stemmed with dense, overlapping foliage. In spring, the new leaves are yellow-green in colour then darkening as they mature and in autumn they turn to bright shades of orange and scarlet. May be grown as a feature/specimen, in containers and is also used to create bonsai. (1.5mx1.5m)		\$59.95

**CLAREVILLE NURSERY & GARDEN CENTRE
GREAT VALUE, GREAT RANGE, GREAT QUALITY!**

Acers Continued.....

Acer Mirte – Warm orange-red Spring leaf, unique colour to the maples. Changing to a soft brown then a shining green for Summer & Golden orange in the Autumn. Vigorous grower. A wonderful series of unique colour to the garden. (3mx2m)		\$49.95
Acer Moss Gold - Deeply dissected leaves of a wonderful, mossy-gold colour in spring, picking up greener tinges in summer. Followed by oranges and reds in autumn. Lovely red stems contrast boldly with gold foliage. (1mx1m)		\$69.95
Acer Negundo Kelly's Gold - Golden-yellow spring leaves that are lime-green through summer, turning to a pale-yellow in autumn. Has a neat, upright growth habit that will lighten up dark areas. A hardy and quick-growing maple. (6mx4m)	1.2m	\$49.95
Acer Negundo Violaceum - Young shoots and leaves are purple-maroon. Summer leaves green that turn gold in autumn. A vigorous grower that has smooth bark with a whitish bloom. (6mx5m)	1.2m	\$49.95
Acer Osakasuki – An all-time favourite! New growth is a pinky bronze that turns green. Considered to have the brightest scarlet Autumn colours. A small robust upright spreader. (4mx3m)	1.5m	\$59.95
<p>Acer Pixie – Vigorous & stiffly upright when young becoming bushy & compact. Leaves are vibrant, deep rich red when young, rich dark black red when mature. Autumn tones are bright red shades. (2.5mx2m)</p> <p align="center">High Worked \$49.95 Topiary - \$59.95</p>		
Acer Red Dragon - Delicate dissected red foliage through spring and summer intensifying to scarlet red in autumn. Lovely feature plant that will provide a soft cascading effect. Equally looks very graceful in a container. (1mx1.5m)		\$69.95
Acer Saccharum (Sugar Maple) – North American Maple from which syrup is harvested. Large, green lobed leaves with spectacular Autumn colours in colder regions of red, orange & yellow. Compact crown with up-swept branches. Needs moist, well-drained soil. (10mx8m)		Price to be confirmed
Acer Seiryu - (Lace leaf maple) – Upright growing with finely dissected green foliage clothing gracefully arching branches. Autumn colours are soft yellows to gold. (3mx2.5m)		\$49.95
Acer Senkaki - The main feature of this Maple is the fiery coral red colour of the branches & twigs that are a real stand out in winter when the tree is bare. The green summer foliage turns golden yellow in autumn. (2mx2m)		\$59.95
Acer Shaina – A dwarf maple that will grow happily in a container or small garden. The branches & leaves are an attractive wine red which deepens slightly in Autumn. Good compact upright habit. Happiest in the sun or semi-shade with protection from harsh winds. (2mx2m)		\$59.95
Acer Shiraz - An unusual little Maple with multi-toned variegated foliage. When the new leaves first emerge in spring they are a striking crimson pink, as they mature they turn to olive green and silver. Excellent fiery red tones in autumn. (2.5mx2m)		\$49.95
Acer Shishigashira - A slow growing Maple, commonly called the Lion's Head Maple as the dense tufts of crinkled foliage on each branch resemble the mane of a lion. The bright green leaves turn golden orange in autumn. (3mx3m)		\$49.95
Acer Skeeter's Broom – Excellent small garden tree with outstanding brilliant red & shrimp pink spring foliage. In Spring that slowly turns green. In Autumn the leaves are once again all fired up in shades of red. Best in morning sun or semi-shade & out of the strong wind. (2mx2m)	1.5m	\$49.95
Acer Stella Rossa - A graceful cultivar with weeping branches becoming mound-like with age. The delicate, filigree-like leaves unfold bright-red in spring, retaining their beautiful colour into summer then becoming dark burgundy before turning bright red with orange undertones in autumn. (3mx3m)		\$69.95

**CLAREVILLE NURSERY & GARDEN CENTRE
GREAT VALUE, GREAT RANGE, GREAT QUALITY!**

Acers Continued.....

Acer Suminagashi - Rich crimson foliage in spring, deepening in colour as summer progresses. Attractive crimson scarlet shades in autumn. Add to all this the black stems and you have an absolutely stunning feature tree. Happiest with protection from strong winds. (3mx2.5m)		\$59.95
Acer Ueno Yama - Japanese Maple. An upright form with lobed leaves that have distinctive orange tones as they emerge in spring. Gradually the leaves mature to a pale green. Orange-red in autumn. (3mx3m)		\$49.95
Acer Crimson Queen —A spreading weeping form with scarlet-red stems & finely dissected deep reddish-purple leaves. Retains leaf colour throughout Summer. Scarlet red in Autumn. (1mx1.5m)	1m Standard - \$56.00	High Worked - \$69.95
Acer Crimson King - Weeping Japanese Maple - During spring, this small tree has finely-cut large foliage of bright crimson red, becoming a deep purple-red over summer before assuming fiery scarlet, red, and orange autumn tones. Perfect as a shade tree. (15mx10m)		\$65.00
Acer. Viridis – Has soft, fresh-green foliage in spring, deeper green through Summer, becoming golden yellow & orange in autumn. Strongly cascading branches form a dome-shaped plant at maturity. (1.5mx1.5m)	1m Standard - \$56.00	High Worked - \$69.95
Aesculus carnea ‘Briotii’ – This cultivar produces large candelabra-like, deep red flowers in late Spring. These make for a spectacular display on a well-shaped, medium sized tree. Is suitable for warmer climates. (6mx5m)	1m	\$69.95
Aesculus carnea – Red Horse Chestnut – Strikingly beautiful rounded tree with masses of pink flowers in late Spring. Large dark green leaves divided into fan shapes. Suits a moist position. (10mx7m)		\$56.00
Albizzia j. Rosea (Silk Tree) . This is a fabulous quick growing tree with a single stem & a good shade canopy making it ideal to relax under. Soft ferny foliage & fluffy fuzzy blooms in warm pink that appear in summer. (5mx4m)	1.5m	\$56.00
Albizzia Red Silk If you want to sit under soft ferny foliage and look up at fuzzy fluffy carmine red flowers then this is the tree for you. Very pretty specimen tree with a single trunk and good shade canopy. Flowers during Summer. Quite quick growing. (5mx4m)	1.5m	\$56.00
Alnus Alder Cordata – (Italian Alder) – Extremely tolerant, fast-growing tree that loves moisture. Attractive heart shaped leaves that are green and glossy. The male flower catkins appear before the female flowers develop into small woody cones. Ideal for planting in wet areas. Also, great as a wind hardy shelter or trimmed hedge. (12mx8m)	2m	Priced from \$29.95
Amelanchier canadensis – Something different & unusual for your plant collection. Just as the new leaves start to appear in Spring the whole shrub is smothered in drooping racemes of lacy white flowers.	1.5m	\$59.95
Betula jacquemontii – Selected for its attractive white bark, dark green leaves which turn yellow in autumn. Interesting catkins in Spring. Looks great planted in numbers. (7mx3m)	1.7m	\$49.95
Betula papyrifera – (Paper Birch) – The bark is commonly bright white colour that flakes in fine horizontal strips & often with small black marks & scars. The buds are conical & small green in colour with brown edges. The flowers are wind-pollinated catkins. (8mx4m)	1.6m	From \$29.95
Betula pendula (Silver Birch) – This very popular tree is known for its white barked trunk & graceful pendulous habit. Fast growing tree which is suited to most garden situations. (8mx5m)	1.6m	\$34.95
Betula Silver Shadow – A stunning tree which will be shown to its best advantage planted in groups. The trunk of the tree develops smooth unblemished white bark with a horizontal peeling habit. (8mx4m)	1.7m	\$49.95

**CLAREVILLE NURSERY & GARDEN CENTRE
GREAT VALUE, GREAT RANGE, GREAT QUALITY!**

Betula White Spire – (Himalayan Birch) – A selected for of this special tree that has a glistening white trunk of peeling bark. The dark green foliage has serrated edges and turns warm yellow in autumn. 'White Spire' tends to have a very upright columnar habit. (8mx4m)		\$75.00
Carpinus betulus – Strong growing pyramidal tree highly suited to pleaching or trimming for an interesting feature hedge. Deciduous but retains leaves well into the winter. 10m if left to its own devices. Quite trimmable!		\$29.95
Carpinus betulus Fastigata – A rather special Hornbeam variety with a naturally upright narrow growth habit. Can still be used for hedging but, forms a stylish naturally upright tree for restricted areas or accessways. A tough deciduous tree handling damper & drier soils. (15mx10m)		\$36,95
Cedrela sinensis Flamingo - The slender, erect branches bear pinnate leaves of rich warm-pink in early-spring. Leaves become cream-pink and mature to green by summer. Orange-yellow autumn leaves. (4m x 3m)		\$49.95
Cercidiphyllum japonicum – Tolerates wet positions & prefers moist conditions. Red-purple new leaves & stems. Leaves become green with a slight blue tinge in Summer & turn bright gold, orange, & red through Autumn. Autumn leaves have a cinnamon to burnt-sugar smell when freshly fallen. (7mx5m)		\$39.95
Cercidiphyllum japonicum “pendulum” – A special deciduous tree with aromatic foliage. The emerging spring leaves are shaded in tones of reddish-bronze before turning a deep green over Summer. The leaves are heart shaped & neatly arranged in pairs on multi-stemmed branches. Fantastic Autumn colours before leaf fall. Deciduous. (7mx5m)		\$75.00
Cercis can. Forest Pansy – An attractive small deciduous tree with an interesting branch formation. In spring these branches are covered in tiny, hot pink blossoms. The wow factor continues when the deep maroon foliage appears. (4mx3m)	1.5m	\$59.95
Cercis Hearts of Gold – Round headed tree with large, heart-shaped leaves which in Spring are golden-bronze. Autumn colours are bright yellow-orange. Bare branches in Spring are smothered in rose-pink flowers. (3mx2m)	1.5m	\$55.00
Cercis Snow Spring – (Chinese Redbud) – A pretty tree with an open network of branches that are smothered in clusters of small, white blossoms in Spring. Heart shaped; rich green leaves follow. Happiest in a sunny, sheltered position in nice deep fertile soil. (3mx2.5m)	1.2m	\$55.00
Cercis Texas White – Round headed tree with large, handsome, heart-shaped leaves of shining green. They turn bright yellow in Autumn. A profusion of pure-white, pea-shaped flowers stud the bare branches in Spring. (4mx3m)		\$59.95
Chimonanthus praecox – (Wintersweet) - Aptly named as it has deliciously scented flowers. The small, pale yellow, waxy blooms appear on bare stems. Ideal for adding to winter floral arrangements. (4mx2.5m)		\$39.95
<u>CORNUS or DOGWOODS – The Dogwoods as they are known are beautiful small trees with attractive flower bracts, form or foliage.</u> <u>They like acid soil conditions & appreciate the Wairarapa’s climate</u>		
Cornus alba Elegantissima - Also known as Red-barked Dogwood. C. Elegantissima is a bushy deciduous shrub. Has deep red stems & grey green, white-margined leaves. Clusters of small cream-white flowers appear in late spring followed by white berries that attract birds. (3mx2m)	40cm	\$49.95
Cornus Alba Siberica - A spreading shrub with dark-green leaves that provide great autumn colour in shades of orange and red, then drop to expose brilliant red stems in winter. Clusters of small creamy white flowers in summer. Best stem colour is in full sun. (2m)	40cm	\$49.95
Cornus Cherokee Chief – Deep rose flower bracts, paler at the base. New Spring growth deep bronzy red, deep green & glossy through Summer. Yellow, scarlet & wine-red leaves in Autumn. (3mx3m)		\$49.95
Cornus Cherokee Sunset - Flowering Dogwood. A hardy deciduous shrub/tree with stunning dark green and lime-green variegated foliage which turns to shades of red in Autumn. Masses of rose-pink flower bracts emerge in late Spring, early Summer followed by small red fruit that attract birds. An excellent feature/specimen plant that will thrive in sun or partial shade in moist, free-draining soil. (6mx3m)		\$49.95

Cornus Continued.....

Cornus contraversa Variegata - This unique & special Cornus is highly valued for the unusual layered structure of its branches giving it the common name of 'The Wedding Cake Tree'. The new foliage is soft green edged with cream accented by the reddish tinge of the new branches. Little white flowers in summer. Even stunning when not in leaf. (3mx2m)	60cm	\$75.00
Cornus hybrid Eddie's White Wonder - This American dogwood is a superb hardy large shrub or small tree producing large white bracts in spring. Red berries in winter. (5mx4m)	1.5m	\$55.00
Cornus 'Elizabeth Lustgarten' - A distinctive variety with a rounded, growth habit. The cascading branches become smothered in large, white, flat, four-petalled flowers in early-summer. Red, strawberry-like fruit follow, which are relished by birds. Red autumn leaves. (3mx2m)		\$49.95
Cornus Milky Way - Vigorous large growing shrub or small tree. Becomes smothered with large flat four petalled white starry shaped flowers in early summer. Red strawberry like fruit follows, which birds relish. Spectacular red and purple autumn leaves. (4mx2m)	1m	\$49.95
Cornus Moonbeam - This tree is extremely eye-catching when in bloom. The very large, pointed creamy white floral bracts hang gracefully on layered branches reminiscent of a moonbeam dancing through the clouds. Very showy & attractive. (5mx3m)	1m	\$49.95
Cornus Rainbow – Summer foliage of this upright American Dogwood heavily margined with gold. Tinges of pink then rich purple in Autumn. Creamy white flowers in Spring. (2.5mx2m)	1m	\$49.95
Cornus Satomi – Also known as “Miss Satomi” - A hardy disease resistant deciduous shrub that produces deep pink flower bracts in late Spring/early Summer & dark green foliage turning to shades of orange & red in Autumn. Prefers either full sun or partial shade in moist but, free draining soil. (4.5mx3m)	1m	\$49.95
Cornus Southern Cross – This tree has large flat, four-petalled, cream-white, star shaped flowers. Red foliage in Autumn. Red-strawberry like fruit attractive to birds. (3mx2m)	1m	\$49.95
Cornus Spring Song – This tree has a round-headed shape, with large, rose-pink, four-petalled, flat flowers in Spring. During Autumn, foliage is orange, red & wine-purple tones. (4mx3m)	1m	\$48.00
Cornus Stokes Pink – Masses of deep pink flower bracts appear in Spring followed by red strawberry fruits that birds love. The green Summer foliage colours well prior to leaf fall. (4mx3m)	1m	\$48.00
Cotinus Grace - Cotinus 'Grace' is a hybrid between American smoke tree, (Cotinus obovatus) and Cotinus coggygria 'Velvet Cloak'. It is grown for its enormous clusters of flowers, frothy, pink panicles. In spring, leaves emerge light red, darkening through the summer to dark red. In autumn, foliage turns a mosaic of red, orange, and gold. Cotinus 'Grace' is an large excellent shrub, offering multiple seasons of interest in mixed plantings. (3mx2m)	40cm	\$48.00
Crataegus Paul's Scarlet – Small, upright tree with a compact, rounded head. Impressive heads of double crimson-red flowers smother the tree in late-spring. Tolerant of strong winds. Does not set fruit. (5mx3m)	2m	\$69.95
Crataegus roseo Plena – Small upright tree with a compact rounded head. Impressive heads of double salmon pink flowers smother the tree in late spring. Tolerant of strong winds. Does not set fruit. Excellent street tree. (5mx3m)	2m	\$69.95

Fraxinus Aurea - A broadly-spreading medium-sized tree with golden-yellow autumn foliage. Young branches are golden and are a real feature in winter. Valuable ornamental and shade tree. (6mx3m)	1.2m	\$55.00
Fraxinus Raywoodii – (Claret Ash) A deservedly popular & beautiful deciduous tree. Elegant branch framework, neat pyramidal habit & handsome long narrow foliage. The bright green spring growth deepens to a rich purple claret in Autumn & holds well before falling. Easy to grow. One of our very best sellers! (10mx8m)		\$59.95
Fagus Riversii – Large, domed-shaped tree with an open branch structure & smooth grey bark. Larger leaves than the usual purple beech. Rich, deep purple-black, shiny leaves in Spring. This colouring is held throughout the Summer. Leaves drop cleanly in Autumn. A magnificent specimen tree. (10mx6m)	1.5m	\$66.00
Fagus syl. Purple Fountain – A deciduous specimen tree. Dark purple foliage in Spring, green -purple in Summer, fading to orange & yellow tones in Autumn. Cascading branches from a central stem. (10m)	1.6m+	\$69.95
Fagus syl. purpurea – Copper Beech – Beautiful pyramidal specimen tree or popular as an interesting & unusual hedge. Good in full sun or part shade with adequate drainage. (10m)	80cm	\$34.95
Ginkgo Autumn Gold – A large long-lived tree with a tall angular head and erratic branching. Unique fan-shaped leaves are deep green and turn golden yellow in autumn. Unlike the female tree, The Autumn Gold is a male tree and does not have any smelly fruit. (7mx4m)		\$54.00
Ginkgo Biloba – A large handsome specimen tree famous for its gorgeous golden Autumn foliage. Tolerant of heat or cold, but, keep moist until established. (10mx8m)		\$54.00
Ginkgo Jade Butterflies - Dwarf Maidenhair Tree - Here's something special - a dwarf male form of the beautiful Ginkgo. The jade-green foliage fans out along the branches like beautiful hovering butterflies. Soft yellow autumn tones prior to leaf fall. Prefers the sun and deep fertile soil. Ginkgo are very tolerant of pollution & popular for street planting. (3mx2m)	50cm	\$49.95
Ginkgo Ming Princess - A very miniature form of the sacred Ginkgo tree from China. Fine fans of fern like foliage in fresh green decorate the branches from spring until summer turning a soft butter yellow in autumn. Happy in the sun and likes deep fertile soil with protection from harsh wind. This little sweetie would make a special container plant. (2mx1m)	50cm	\$49.95
Gleditsia tri. Sunburst - New leaves are bright yellow and becoming lime-green as they mature then turning to a vibrant golden yellow colour in autumn. Prefers a sunny position in fertile, free-draining soil. (6mx3m)		\$56.00
Gleditsia Ruby Lace – The foliage is delicately divided & lacy – Ruby Wine in colour. The foliage has bronze tones as it matures. Forms a graceful round headed small tree. Lovely to sit under. (5mx4m)	1.5m+	\$49.95

Hamamelis “Arnold’s Promise” - A wonderful small-growing, neat, upright, vase-shaped shrub that produces fragrant yellow blooms in late winter. The flowers are known by their spider like forms. Protect from the midday sun, give a cool moist climate. Stems of flowers look amazing in a vase and is a great way to prune the shrub. Attractive autumn foliage. (1.5mx3m)		\$48.95
Hamamelis “Diane” - An interesting neat, upright, shrub that produces fragrant red blooms in late winter. The flowers are characterized by their shaggy spider like form. Plant in sun or part shade in rich soil that does not dry out in summer. (3mx2m)		\$48.95
Hamamelis “Jelena” - An interesting & attractive shrub with broad green leaves that colour well in autumn. The shaggy flowers which appear in spring are yellow, suffused with rich copper tones and very fragrant. Easy to grow. (3mx2m)		\$48.95
Laburnum Vossii – Golden China Tree – Glossy green foliage set off with long racemes of fragrant, golden yellow flowers in late Spring. Very showy & well worth giving a special place in the garden. Easy to grow. (3mx2m)	1.2m	\$64.00
Liquidambar Gumball – Rarely Available - Forms a dense rounded ball of maple like leaves. Autumn leaves in all the colours persist into Low Worked \$55.00		
Liquidambar “Golden Treasure” - A distinctively different cultivar with conspicuously variegated foliage. The outer margins of the bright green leaves are edged with a deep yellow. In autumn this margin is suffused with shades of purple. (5mx3m)		\$56.00
Liquidambar “Lane Roberts” – (American Sweet Gum) – The most reliable tree for Autumn colour. Rich, black crimson red tones & pyramidal habit. Makes an excellent specimen tree. (5m)		From \$55.00
Liquidambar styraciflua – Forms a well shaped stately pyramidal tree. Very popular for its outstanding Autumn foliage colour. Good growth rate in most conditions. (7mx5m)		From \$34.95
Liquidambar “Vera” - A handsome selection chosen for its almost evergreen habit. Foliage turns through purple, scarlet and flame. This variety holds on to her foliage well into winter prolonging the display. (5mx3m)		\$56.00
Liquidambar Styraciflua ‘Worplesdon’ – A handsome specimen tree with an upright form & graceful drooping outer branch. The large, lobed, green Summer leaves turn striking shades of pale Orange & Apricot in Autumn eventually turning purple prior to leaf fall. (8mx5m)	2m	Price to be confirmed
Liriodendron tulipifera – (Tulip Tree) – Tall pyramidal tree with rich butter green Autumn foliage. Fragrant lime green blooms when mature. Requires slightly acidic soil. (10mx6m)	1.5m	\$49.95

Magnolia's

Magnolia Billowing Cloud - Bred in the Land of the Long White Cloud 'Billowing Cloud' has distinctive white blooms with just a soft blush of rose pink at the base of the petals. The blooms sit up nicely on the bare branches and have quite a strong fragrance. Plant in a sheltered spot in acid soil. (3mx2.5m)	1.2m	\$55.00
Magnolia Black Tulip – Bred in NZ by renowned breeder Mark Jury, this stunning Magnolia has large cup shaped blooms of an exceptionally dark-ruby red. Generous with bloom from a young age & a vigorous grower. Plant in a sunny sheltered position. (6mx4m)		\$69.95
Magnolia Butterflies – A truly beautiful Magnolia with soft yellow, fragrant blooms which when fully open flutter on the branches like giant butterflies. Flowers appear from late Winter until early Spring. (4mx3m)		\$58.00
Magnolia Charles Raffill – A Magnolia with all the right heritage as it was raised at Kew Gardens in the 40's. The buds are a seductive blush rose pink. The blooms are large & fragrant. (7mx5m)	1.4m	\$48.00
Magnolia Cleopatra - With large, sumptuous, cupped blooms of rich cerise purple 'Cleopatra' is certainly a beauty to behold. Bred in NZ this relatively small tree blooms from a young age and is stunning in full flower. (4mx3m)	1.2m	\$59.95
Magnolia Denudata - This small, deciduous tree comes from Central China where it is planted to represent purity and candor. Masses of scented, ivory-white flowers appear from mid-winter to early spring, just before the fresh green leaves. (5mx4m)		\$55.00
Magnolia Deryk – An unusually dark hybrid showing clearly influence from “Genie” the parent. It is a rich glowing velvet red & in some lights the colour becomes almost brick red. (4mx3m)	1.4m	\$48.00
Magnolia Felix Jury – Enormous, superb flowers open red and turn rosy pink. A spectacular sight in early Spring when the compact tree will be covered in hundreds of blooms. The flowers have the bonus of being highly fragrant. (5mx3m)		\$69.95
Magnolia Genie - If you have wished for an easy to grow, beautiful, small tree then let 'Genie' work her magic. Bred in NZ & an Award winner 'Genie' will present you with deep wine, fragrant, globular blooms from a young age. Narrow upright habit		\$59.95
Magnolia Gold Star - An upright grower with spreading branches. Bears a profusion of fragrant, large, multi-petalled, star-shaped flowers of soft butter-yellow which fade to cream-white. Mid-spring flowering. Bronze-coloured spring leaves. (4mx3m)		\$55.00
Magnolia Honey Tulip – Another drop-dead gorgeous hybrid from the Jury breeding programme. Large rounded goblet shaped blooms in a soft shade of honey yellow. The petals are of good substance & the flowers appear early Spring on bare branches. (6mx4m)		\$69.95
Magnolia's Ian Cracker - A medium growing upright bushy small tree with beautiful large; rich claret coloured blooms of 20cm across that holds the colour well.		\$55.00
Magnolia Iolanthe - From early spring very large bowl-shaped rose-pink blooms appear with a creamy white interior. A magnificent variety. (6mx4m)	1.5m	\$55.00
Magnolia Leonard Messel - Deep pink buds that open to a profusion of star shaped blooms in a softer shade of pink. The blooms have a delightful fragrance and appear in early spring. (4mx3m)	1.5m	\$55.00
Magnolia Pink Sensation - Upright habit of growth with deepish pink, upright flowers.	1.2m	\$55.00

**CLAREVILLE NURSERY & GARDEN CENTRE
GREAT VALUE, GREAT RANGE, GREAT QUALITY!**

Magnolia's Continued.....

Magnolia Red As - Wine red, cup shaped blooms with a luxurious texture decorate this fabulous small tree in early spring. Beautiful as a standalone specimen or make an even stronger statement by planting a group. NZ Bred. (4mx3m)	1m	\$65.00
Magnolia Royal Purple - The perfect Magnolia for those of you with limited space as this particular variety has a narrow, upright growth habit. Bright, royal purple blooms in Spring. (4mx1.5m)	1.2m	\$55.00
Magnolia Sir Harold Hillier - Named after the eminent British horticulturist this form of M. campbellii has huge bowl-shaped flowers of pure white. It will take quite a few years to mature to its outstanding best but as the saying goes good things do indeed take time. (7mx5m)	1.2m	\$55.00
Magnolia Star Wars - One of the most spectacular & long flowering Magnolias with large, star shaped flowers of rose pink with blush white interiors. A hardy hybrid. Very popular. (5mx4m)	1.2m	\$55.00
Magnolia stellata Jane Platt - Rich pink flowers with many tepals on a small compact bush. A strong, upright large shrub that flowers in late winter. Green foliage. Plant in a sunny, sheltered spot in acid soil for best results. (1.5m)	70cm	\$55.00
Magnolia stellata King Rose - This little sweetie is ideal for those of you with small gardens or for filling a little corner. Masses of soft pink buds open to white blooms with a hint of pink at the base. Flowers in spring. (2m x 2m)	70cm	\$55.00
Magnolia stellata Waterlily - Awarded an Award of Garden Merit in 1993 this is a lovely deciduous shrub that is quite vigorous and hardy. The silky pink buds open to reveal white shaggy star shaped flowers set against attractive bare branches. Fresh, dark green foliage follows. (3mx2m)	70cm	\$55.00
Magnolia Wildcat - This is a stronger growing stellata type due to its mixed parentage with Magnolia kobus. Well-formed white fully double flowers with narrow tepals make this a very attractive large bush or small tree. (3mx2m)	70cm	\$55.00
Magnolia Strawberry Fields - A NZ hybrid with vibrant red blooms in the shape of a large star. Flowers for a long period in late winter spring. Develops into an upright columnar tree. (5mx3m)	1.2m	\$55.00
Magnolia Sweetheart - This beautiful Magnolia is indeed a sweetheart with large soft pink blooms with a deeper pink centre. The flowers are fragrant and appear from late winter until spring. (5mx3m)	1.2m	\$55.00
Magnolia Vulcan – The flowers of this stunning Magnolia are deep wine- pink and beautifully cupped. A magnificent specimen tree. Magnolia 'Vulcan' was bred by the Jury family of Taranaki. (5mx4m)	1.2m	\$65.00

Malus Crabapple

The crab apple is one of those rare, catch-all trees that tick not one but all the boxes on the gardener's checklist. It all starts in spring with a riot of blousy white or pink blossom that draws in the pollinators as they stir from their winter slumber. They are ready to pick from early autumn and, just as the spring blossom draws in the bees, any fruits left on the tree into winter serve as a beacon to birds. Crabapples are more tolerant of adverse soil conditions than other flowering trees and are long lived and hardy.

Malus Ehtmeyer - Weeping. A graceful, weeping tree with pendulous branches that are covered in masses of rose crimson flowers in spring followed by decorative reddish-purple fruits. The emerging spring foliage has red tones before maturing to green. (4mx2m)	1.5m std	\$55.00
Malus Floribunda - An early blooming ornamental Crabapple with pendulous arching branches decorated with tight red buds. These open to beautiful white blossoms flushed with pink throughout September/October. The flowers are followed by small red & yellow fruits. Hardy & easy to grow. (3mx2.5m)	2m	Price to be confirmed
Malus Golden Hornet - Malus hybrid. Pink buds open to pale pink blossom in spring. The blossom is followed by heavy crops of little golden yellow apples that almost cover the branches in autumn-winter - highly ornamental. Upright pyramidal habit. Easy to grow in a well-drained sunny spot. (3mx2.5m)	1.5m	\$55.00
Malus Gorgeous - This Crabapple is gorgeous in spring when white to soft pink single blooms smother the branches. These are followed by masses of shiny bright crimson apples' that hold well on the tree through to autumn. Ideal for making jelly. (3mx2m)	1.5m	\$55.00
Malus Ioensis Plena - Large, double, frilly pink, fragrant blossoms decorate the tree in late Spring. The summer foliage is a soft sage green & also very decorative. (3mx2m)	Low Worked - \$55.00 1.7m-1.8m high Standard on 1.5m - \$68.00	
Malus Jack Humm - The single white blossom in spring is followed by large shiny red 'apples' that stand out on the bare branches right through winter. (3mx2m)	1.5m	From \$55.00
Malus Jelly King - A tree with spectacular large orange-pink fruit that persist much longer than most large fruited crab apples. Strong white blossom covers this vigorous but compact tree in Spring. Makes excellent pink jelly. (4mx2.5m)	1.5m	\$59.95
Malus Snowbright – Crabapple - A gorgeous blossom tree that has a semi-weeping habit & is covered with masses of dainty white flowers in the Spring. These are followed by orange-red fruits that last through the Winter. Easy to grow in a sunny position. (3mx3m)	1.5m	\$58.00
Malus Wright's Scarlet - Beautiful white blossom in spring followed by a plentiful supply of large crimson fruits that hold on the tree through winter. Wine coloured summer foliage. (3mx3m)		\$49.95
Morus Alba Pendula – Desirable, weeping form of the highly ornamental Mulberry tree. The glossy large heart shaped leaves always look fresh. Small, edible fruits appear in Spring & are loved by birds. Give this special tree the space to spread its lovely pendulous branches. (1.5mx1.5m)	Unavailable for 2022 – please pre-book for 2023	
Nyssa Sinensis – (Chinese Tupelo) – A desirable ornamental tree which is highly rated for its spectacular autumn colour. New growth in Spring is tinged red gradually turning green for Summer, tones of intense red & yellow prior to leaf fall. Prefers sun or part shade (7mx5m)	1.2m	\$54.00
Nyssa Sylvatica (The Tupelo or Sour Gum) – Is an elegant specimen tree highly rated for spectacular autumn colour and the fact that it flourishes in swampy conditions. The summer foliage is glossy green, lower branches are slightly pendulous in habit. (7mx5m)	1.2m	\$49.95

Paulownia tomentosa (Japanese Imperial Tree) – Violet-blue, trumpet shaped, fragrant flowers with darker spots & yellow stripes. Seed capsules about the size of a Walnut, often remain until the next seasons flowers. Spreading tropical looking tree. (8mx6m)	1.2m	\$58.00
Platanus Acerfolia – A large fast growing, round-headed tree with large palmate leaves & an attractive light brown mottled trunk. One of the world’s most popular street trees. Tolerant of compacted soils. Plane trees are the traditional tree for pollarding to create a compact ‘lollipop’ tree. (15mx11m) Price to be confirmed	2m	
Pistacia chinensis – Commonly known as Chinese Pistache – This is a medium sized, tree grown for its impressive form & Autumn colours. The finely divided leaves emerge a light green in Spring. Age to become darker green, then develop stunning shades of yellow, red, & orange in Autumn before falling. Small, flowers in Summer may result in dark berries which become visible once the leaves have fallen. Ideal as avenue planting or as a specimen tree. (10mx6m)		\$59.95
<u>Prunus Flowering Cherries</u>		
Oriental flowering cherries are the undisputed aristocrats of flowering trees. Few trees can match their abundance and magnificence of floral display. Many also have attractive foliage, bold form, interesting stem texture and great autumn colour. Some are smaller trees varying from low and spreading to tall and erect in habit. Flowering cherries like moist, well drained, fertile soil. Trees are shallow rooted, so other plants should not be planted around.		
Prunus Accolade – Small handsome tree with spreading branches and masses of semi-double rich pink 4 cm flowers in pendulous clusters. (5mx5m) 1.8m-2m tall on 1.8m Standard - \$58.00		
Prunus Puddum – Low Worked – Himalayan Cherry Tree – An attractive flowering Cherry with smooth bark that peels in horizontal layers. The pink, nectar laden blossom, loved by birds, appears when the branches are bare in Winter. (4mx3.5m)		\$63.00
Prunus yed. Awanui – Raised in NZ, ‘Awanui’ is different from other flowering cherries in that the horizontal branches drape softly. The prolific spring blooms are softest baby pink & single. A tree in full blossom is extremely pretty. Definitely a must have! (5m x 3m) 1.6m-2m high on 1.5m Standard \$69.95		
Prunus Falling Snow – (Weeping Flowering Cherry) – A beautiful & graceful tree with pendulous arching branches. In spring the branches are smothered in single white blossom that is blushed with just a hint of pink. Fresh green summer foliage that colours well in autumn. (2mx2m) 1.3m-1.5m on 1m Standard \$69.95 1.6m-2m high on 1.5m Standard \$69.95 1.8m-2m tall on 1.8m Standard - \$69.95		
Prunus camp. Felix Jury – Very deep claret red blossom in early spring. Very popular with Tui’s & Waxeyes. Upright habit. (5mx3m)		\$56.00
Prunus Jim’s Delight - Single, star shaped blossoms that are coloured a warm pink. Nice dark green foliage with good autumn tones prior to leaf fall. Likes the sun and well-drained soil. (3mx2m)		\$54.00
Prunus Pendula Rosea - (Japanese Rose Bud Cherry) – Dainty single pink blossoms on slender, gracefully arching branches. (2mx2.5m) 1.6m-2m high on 1.5m Standard \$65.00 1.8m-2m tall on 1.8m Standard \$69.95		
Prunus Kanzan – Strongly ascending branches spreading with age. Rich, double 1.6m-2m high on 1.6m Standard \$69.95 1.8m-2m tall on 1.8m Standard - \$58.00

Prunus Continued.....

Prunus Kiku-Shidare Sakura – (Weeping Cherry) – Pretty, pendulous branches of frilly, rich pink, double blossom announce spring has arrived during September/October. Glossy bronze-green new foliage turns green for summer and scarlet for autumn. A lovely specimen that will do best in a sunny well drained spot. **(2.5m x 2m)** **1.6m-2m high on 1.5m Standard - \$56.00**

Prunus Pink Perfection – Erect, spreading, vase-shaped tree. Bronze new leaves are green through summer and orange in autumn. Fully double flowers with frilled margins are a bright rose-pink in bud, opening to clear-pink. Flowers mid to late-spring. Great for lining driveways & avenues. Excellent street tree. **(5mx3m)** **1.6m-2m high on 1.5m Standard \$56.00**

Prunus Shimidsu Sakura – Highly regarded. Lovely double, pale pink blossom. Graceful wide spreading bit. **(4mx5m)**
1.3m-1.5m high on 1m Standard \$54.00
1.6m-2m high on 1.5m Standard \$56.00
1.6m-2m high on 1.6m Standard \$69.95
1.8m-2m tall on 1.8m Standard - \$69.95

Prunus Southern Gem – A New Zealand-bred flowering cherry known for its' long flowering period and year-round interest. Large delicate flowers open pink, fading to white throughout autumn, winter and spring. Vibrant autumn foliage is yellow-orange, darkening to purple. An excellent selection for smaller spaces in the garden.
1.6m-2m high on 1.5m Standard \$56.00

Prunus Shirotae (Mt Fuji Cherry) – A very beautiful & popular cherry. Long drooping clusters of large single or semi-double snow-white flowers. A vigorous wide spreading tree. **(4mx5m)**
1.3m-1.5m on 1.2m Standard \$54.00
1.6m-2m high on 1.6m Standard \$69.95
1.8m-2m tall on 1.8m Standard - \$69.95

Prunus Thundercloud – Black stems and branches are revealed through winter. Stems are wreathed in dainty, pink blossoms in early-spring. Leaves emerge smoke-red and darken to purple-black. Colour persists all summer and into autumn when the leaves fall. Upright-grower. Excellent street tree. (6mx4m)	1.8m	\$54.00
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------	----------------

Pyrus Aristocrat – Vigorous, ornamental pear with dense pyramidal growth. Attractive white blooms in Spring with brilliant red foliage in Autumn. Ideal as a shade or Specimen tree. Hardy. (6mx4m)	1.8m	\$59.95
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------	----------------

Pyrus Bradford – An outstanding specimen tree. Vigorous, medium sized, dense-headed tree. A prolific flowerer that also has excellent autumn colouring in crimson and scarlet tones. Hardy. (7mx4m)	1.8m	\$59.95
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------	----------------

Pyrus Candelabra – An upright ornamental pear changing to Autumn tones of bright orange red. Abundant white flowers early Spring. Drought hardy but, also tolerant of heavier intermittently wet soils. (10m) These are a large grade in a Ezylift 25 Litre bag	1.8m+	\$220.00
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------	-----------------

Pyrus s pendula (Weeping Silver Pear) – A very elegant & attractive weeping tree with silvery grey bark. Willow-like shiny leaves white at first becoming silver green. **(2mx2m)** **1.8m-2m on 1.7m Standard \$59.95**

Oak's

The well-known acorns, the characteristic leaves, distinctive bark and trunks & the legendary long life of these wonderful trees are all features that combine to make oaks one of the best known and loved trees of all time. They have come to epitomise strength, reliability & longevity

Quercus coccinea – (Scarlet Oak) – One of the finest oaks for brilliant Autumn display. Extremely hardy, but, grows faster in more favourable conditions. Water & stake well to establish. (8mx6m)	2m	\$36.95
Quercus palustris (Pin Oak) – Long, layered branches on a vigorous grower. Good Autumn toning of burnt orange to bronze red. Prefers less alkaline conditions. More tolerant of bogging Winter soils. (10m)	1.6m	\$34.95
Quercus rubra – (Red Oak) – A handsome specimen tree. Large lobed dark green leaves that colour well in tones of red & orange prior to leaf fall. Ideal paddock tree as it needs space to grow to its true glory. (10mx7m) Price to be confirmed		
Robinia Frisia – A spectacular tree with Spring foliage of pale & gold turning to a darker yellow with green tones during warmer months. In Autumn deep golden tones come to the fore before leaf fall. Very easy to grow. (5mx3m)	1.6m	\$49.95
Robinia Lace Lady – The twisted contorted branches and lacy foliage of ‘Lace Lady’ will certainly attract attention. White fragrant flowers may occur in summer and nice yellow autumn foliage. 80cm-1m high on 80cm Standard - \$47.00 1.2m-1.6m high on 1.2m Standard - \$56.00		
Robinia Mop Top - A ball of fresh green lush foliage, two to three metres in diameter. A naturally round ball on a straight standard stem. Effective landscaping tree. (4mx3m) 1.2m-1.5m high on 1.4m Standard \$63.00 1.5m-1.7m high on 1.5m Standard - \$63.00		
Salix c Kilmarnock - Forms a small umbrella like tree with slender, stiffly pendulous branches. From Winter to early Spring, each branch is studded with large tan buds opening white. Ideal for floral work. (2 mx 1.5m) 1.8m-2m High on a 1.7m Standard - \$79.95		
Salix matsudana pendula – This is a popular tree due to its pendulous growth habit, with branches that cascade to the ground. The green leaves develop impressive yellow tones before falling in Autumn. It performs best in full sun or partial shade & consistently moist soil. Deciduous		\$36.95
Sophora japonicum pendula – A picturesque weeper with arching branches cascading to the ground with deep green foliage. Autumn foliage is yellow. A seldom seen deciduous tree.		\$89.95
Sorbus aria Lutescens - aka <i>Silver Whitebeam</i> or <i>Rowan</i> - A beautiful deciduous tree with bold leathery leaves that are covered in dense creamy-white woolly 'hairs' during spring-summer. The leaves mature to grey-green eventually turning gold prior to leaf fall. Small cream flowers in spring are followed by orange-red berries. (4mx3m)	1.7m	\$65.00
Sorbus “Scarlet King” – Upright form of Mountain Ash with gre-green foliage contrasting well with the large bunches of scarlet berries through Summer & Autumn & clusters of small white flowers followed by rose-pink berries. (8mx4m)	1.6m	\$53.00
Symphoricarpos Mother of Pearl - A charming deciduous shrub that is highly valued for the white, flushed pink, marble like berries which weigh down the branches from autumn to winter. Gorgeous for floral decoration. Hardy & easy to grow in the sun or part shade. Green foliage in spring-summer. (1mx1m)		\$39.95

**CLAREVILLE NURSERY & GARDEN CENTRE
GREAT VALUE, GREAT RANGE, GREAT QUALITY!**

Syringa Mme Lemoine – The yellow springs bud of this Syringa open to reveal panicles of closely clustered tiny white double flowers in May-June. The flowers give off a delightfully strong yet sweet fragrance & attract butterflies & bees. The white flowers stand out against the backdrop of mid-green, heart shaped foliage. (2mx1.5m)	40cm	\$49.95
Syringa Pats Lilac - Single lilac flowers abound on this large shrub. The clusters of flowers are beautifully formed & fragrant. Nice to pick. (2mx1.5m)	40cm	\$49.95
Syringa vulgaris Alba – This hardy, vigorous shrub is the white version of the old-fashioned favourite. Dark green foliage, along with extremely fragrant, single white flowers & an upright, vase-shape habit that makes this variety a great informal hedge or screen. (2mx2m)	40cm	\$49.95
Taxodium “McLaren Falls” - Swamp Cypress - Weeping. A unique deciduous conifer that has attractive green ferny foliage that turns golden brown before leaf fall. Interesting fibrous bark and 'knobbly knees' that grow from the roots. This form has pendulous side branches giving the tree a naturally graceful habit. This tree will grow happily in moist to wet soil but will also tolerate growing in normal garden soil as long as it does not completely dry out in summer. Named for where it was discovered - McLaren Falls in the Kaimai Ranges. (3mx1m)		\$69.95
Ulmus Frontier - Chinese Elm. An attractive & easy to grow specimen tree that has rich green summer foliage that turns to glorious shades of burgundy prior to leaf fall. Very hardy and easy to grow with great disease resistance. Plant in sun or part shade. (6mx4m)	2.5m	\$69.95
Ulmus Lutescens – (Golden Elm) – Vase shaped tree with a large spreading canopy. Large soft golden leaves maintain their show from Spring until Autumn when they become brighter before falling. Hardest of the golden foliated trees to winds. Profusion of double lime green blossom on bare Spring branches. Excellent as a street tree, park, paddock tree or specimen tree. (6mx5m)	2m	\$59.95
Ulmus Parvifolia variegata – An elegant, open growth habit & beautifully barked tree. Will tolerate cold, wind & most soils. Fantastic tree for dry plains sites. (15mx12m) Price to be confirmed		
Zelkova Serrata – (Japanese Elm) – Forms a vase-shaped tree with a spreading crown of branches which weep at their tips. Narrow, pale-green leaves turn yellow, orange & scarlet in Autumn. (15m)		\$36.95
